

The extreme tech start-up schooling

Maarika Susi

maarika@garage48.org

We believe

- Devoted teams can turn an idea into a working prototype within a single week-end
- Start-up companies can be started with a really lean budget and great team
- **Mixing up people, skills & ideas creates innovation**
- Entrepreneurial thinking is a must have attitude

It's all about

passion
creativity
hard work
& fun

Proven Model

**~100
participants**

**Developers + Designers +
Team leads + Marketers + Ideas**

**90»Pitch
1h Team up**

**Work hard
